### **Remarks of the Public**

Jennifer Spire in Russell commented on the professionalism of the teachers at Westwood Elementary and how much she loves West Geauga Schools and is supportive of Mrs. Dottore.

Doug Letcher in Russell questioned the process for a new Superintendent. Also questioned if the new Interim Superintendent had background checks.

Phyllis Husman in Newbury stated that her child was accepted back to Westwood through open enrollment. She stated that school quality will go down if there is no open enrollment and the issues need fixed.

Ron Ackerman talked about open enrollment and the all day kindergarten fee being eliminated.

Jill Kent from South Euclid said that the district didn't allow parents enough time and the letters came suddenly. The Board needs to cut slowly and do it in a way that doesn't hurt kids.

Blake Ondres commented on 21<sup>st</sup> century learners. Going forward the Board needs to support leadership. He is pleased to see more people are for open enrollment, and the Board needs to work together.

Sarah Kramer is an open enrolled student that has been attending for 2 years and was denied through open enrollment. Tried out for cheerleading and now can't be involved and can't finish school with her friends.

Tanya Jackson from Richmond Hts. Has 2 boys at West Geauga through open enrollment and not sure if they will be accepted next year. Has made sacrifices to send her children to West Geauga.

Destiny Smith from Richmond Hts. Received a denial letter for open enrollment and doesn't feel accepted.

Michelle Allen welcomed Mr. Douglas. Told open enrollment students that the community likes having them here but they need to move to the community. Also stated that the madness in the community needs to stop.

Steven from Richmond Hts. Is a 7<sup>th</sup> grader at West Geauga and was not accepted back to the district. He has been bullied at his previous school and was happy at West Geauga and built strong friendships. He hopes the Board will make a decision on open enrollment.

### **New Business**

Bill Patterson reported on the turf committee project. He talked about the cost of the project being approximately \$675,000.00, and commented on the donations that have been received.

### **Informative Reports**

The Burges and Burges report was delayed to a future date. It was suggested that the report be presented at a community meeting.

**SUPERINTENDENT'S REPORT****May 28, 2014**

**OAPSE Negotiation Update**—Mr. Russo and I will be meeting with the OAPSE negotiating team Wednesday, May 28 for our second bargaining session. The initial meeting went very well and it is our hope to continue that process again in our second meeting.

**Staffing Update**—Applications are currently being accepted for the vacant Director of Pupil Personnel position as well as a high school math position. Those postings are open until early June and interviews will follow closely. I would assume action to employ at the June 23 meeting to ensure the ability of an experienced candidate to be released from an existing contract if necessary.

Attached to this report you will also find an updated Job Description for the Director of Pupil Personnel. I worked with Ms. Iammarino to make necessary changes to the previous job description that had been in place.

Mr. Nutter is reviewing applications and scheduling interviews for the Alumni Liason position.

# Summer Opportunities 2014

## Objectives:

Summer Opportunities 2014 is designed for two types of students in need of coursework. The first is for students that need remedial work in courses not successfully completed during the previous school year. The second is for students wishing to complete or accelerate coursework needed for high school graduation. This program will facilitate both courses of study in a comprehensive, on-line experience.

## Costs:

The program costs have been kept to a minimum. Each course has a fee of \$200. This cost covers the course, the teacher, the facility, and administrative fees. The platform used is called **Currium™**.

**Currium™** is content for grade 6-12 online learning. All content is aligned to national standards, and was created by professional curriculum specialists to address how students learn best. **Currium** content offers interactive lessons, comprehensive assessments, and engaging educational games. Within the learning management system, all content can be rearranged and supplemented with ease, allowing teachers to tailor their classrooms to suit district, personal, or individual student needs. **Currium** content covers all grade 6-12 core subjects, in addition to many popular electives.
